divorce is rampant in the world and in the church the world health organization has named swine flu a pandemic because of its rapid spread around the world divorce because of its rapid and out of control growth in the church should be viewed as a christian pandemic divorce and remarriage looks at three areas the problem the solution and how to get to the solution divorce in the christian church is a result of secular thinking and a biblical ignorance the bible is full of illustrations of marital strife and its affects on family children and associates the solution is simple the bible also gives explicit instructions and illustrations to the christian so they can have a meaningful and fulfilling relationship the last step is the hardest how to arrive at the solution divorce and remarriage is not a self help book christians cannot help themselves jesus said he would send a helper the holy spirit therein lies the solution in the power of the holy spirit we find the solution a transformed life divorce and remarriage is a call to christians to take responsibility for their actions submit themselves under the authority of scripture and find fulfillment in their next and last marriage bill became a christian while going through his second divorce he is a graduate of word of life bible institute in schroon lake new york he has a bachelor of arts degree in church education from southeastern bible college in birmingham alabama he is currently living with his wife in sarasota florida

a covenant is defined as a formal solemn and binding agreement it is entered into by mutual agreement of two parties biblical principles and a look in the word of god and what the lord really says about divorce and remarriage by bishop lee bowling is sure to open up a better and more clearer understanding of this subject divorce and remarriage is a monstrous evil and there is a pressing need for some clear teaching on the subject we must be loyal to the scriptures and not be carried away by the opinions of men it is a sin to remarry if you were the one who filed for divorce sadly most people don t care what god thinks anymore god

will judge those who divorce god hates divorce which is a sin rooted in selfishness and self righteousness divorce is a horrible sin and remarriage even worse you made a promise on your wedding day to remain with your spouse until death if you break that vow then you are a liar and a scoundrel it matters not what apostate ministers may say god will be your only judge romans 14 12 there are innumerable rotten pastors today who permit abortion homosexuality and divorce god hates these sins as he does all sin and will judge accordingly divorce and remarriage is certainly not a new subject it is as old as the scriptures themselves divorce was a problem in noah s day moses had to contend with it the question was brought to jesus nearly two thousand years ago they said is it lawful for a man to put away his wife john the baptist lost his head because of divorce and remarriage he had told king herod that the woman he married was not really his wife but that she was still the wife of philip her first husband and this enraged the woman and she took revenge every year thousands of american homes are broken by separation and divorce in 1887 there was hardly a divorce in the entire united states in 1913 there were only sixty divorced couples in the entire country of canada but divorce has rapidly increased until today in our country approximately one marriage out of every three ends in divorce while it is best not to separate if a couple does separate they are not free to remarry god does not approve divorce there are a number of scriptural commands and principles which a divorce always violates this book was written to look into what the bible says on the matter

because of the ramifications divorce and remarriage is one of the most hotly debated biblical issues in the church today many people find this issue to be a challenging subject preachers and dedicated bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced or has divorced may marry again yet christians are far from united on this issue many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject others are so fully convinced they have the answer and that what they know is so vital to truth and morality they will have no fellowship with those who differ with them does god intend for divorced women to remain celibate will divorcees be judged as having committed a sin by remarrying do you know what the bible actually says concerning marriage divorce remarriage mdr in his honest look at mdr robert waters examines the greek word

apolo put away and discusses its true meaning in the context of jesus s time through this examination to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments waters guides the reader to a better understanding of mdr and god s intention for divorce in put away but not divorced

this book deals with the issues is sexual intercourse a right or a condition of marriage in the bible betrothal was marriage not engagement to be married what is civil government s interest in marriage common law marriage in the bible is fondling sexual intercourse why most adulterers in the old testament were not stoned to death was god really loose on divorce in the old testament is the sermon on the mount old or new testament teaching is celibacy refraining from sex or refraining from marriage two problems that have to be worked to resolve any unscriptural divorce and remarriage situation what are the three ways a person can commit adultery god doesn t hate all divorce at least equally must one divorce an impenitent fornicating spouse every exception clause in the bible contains a necessary implication is there a guilty party in mt 5 32 or mt 19 9 may one guilty party put away another how does an unjustly put away person put away a fornicating spouse why whether a put away fornicator may remarry is hardly the issue four questions which if answered may lead to a solution of every question on marriage divorce and remarriage is divorce and remarriage private or church business church limitations in dealing with divorce can a local church study these issues for itself and determine its own conduct on these matters if not let s not hear any more about local church autonomy

tough questions about divorce and remarriage have plagued the church for the last 75 years questions that only seem to deepen with time can a divorced new convert ever remarry to have a christian family must a christian wife stay married to a murderer or a man who deserted his family when can a christian remarry in this book the author probes these questions and more with a comprehensive look at the scriptures on divorce and remarriage by probing deeply into paul s epistles some clear answers have been found for the most pressing questions about divorce and remarriage this is a no holds barred book written for believers everywhere for any christian facing divorce and weighing the scriptures this book is a must read for every minister seeking how to

honor christ s command on remarriage yet extend mercy to those who deserve it this book may have just the answers you are looking for entire denominations have been in turmoil as they struggle for answers to questions the struggle is over

dr ellisen shows us that the bible has the answer to all marital problems it is a divine dynamic prescription from the god of all grace and it brings to bear god s balanced principles of love and discipline divorce and remarriage in the church heads straight for the bible for positive direction on when divorce is proper when remarriage is permissible and just how divorced and remarried christians can continue to serve in the church with god s blessing

first published in 1967 divorce remarriage continues to help those who have been divorced or are considering it as well as their pastors and counselors the final chapter contains a helpful summary of all evidence for the author s position that scripture allows for divorce and remarriage in certain circumstances

to many the new testament s teaching on divorce and remarriage seems to be both impractical and unfair the plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one s former spouse but are these proscriptions the final word for christians today are we correctly reading the scriptures that address these issues by looking closely at the biblical texts on divorce and remarriage in light of the first century jewish and greco roman world this book shows that the original audience of the new testament heard these teachings differently through a careful exploration of the background literature of the old testament the ancient near east and especially ancient judaism david instone brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings among the important findings of the book are that both jesus and paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both jesus and paul affirmed the old testament grounds for divorce that the old testament allowed divorce for adultery and for neglect or abuse and that both jesus and paul condemned remarriage after an invalid divorce but not after a valid divorce instone brewer shows that these principles are not only different from the traditional church interpretation of the new testament but also directly relevant to modern relationships enhanced with pastoral advice on how to apply the biblical teaching

in today's context this volume will be a valuable resource for anyone seeking serious answers about married life

divorce and remarriage is one of the ways in which god delivers his people from their past mistakes you see jesus died so we wouldn't have to suffer the consequences of our sins for the rest of our lives his blood has cleansed us from our sins including our past mistakes remarriage is practiced in the new testament satan arranges marriages too so discover why people get divorced if you've been separated for years find out what the bible says to do about getting remarried adultery is not the unpardonable sin it can be forgiven should you wait until your ex spouse dies before you get remarried it's not your choice to remain single for the rest of your life why remarried christians shouldn't be put out of the church there's no recession in the kingdom of god find out where extra money comes from learn how to pray and get results gain knowledge for raising your step children and your own children together

many pastors counselors and theologians consider this book the most helpful on the issue of marriage and divorce

what does the bible teach about divorce may a christian remarry during the lifetime of a divorced partner with the increasing number of divorces and second marriages such questions now touch every family and every church comes addresses these and other questions in a comprehensive and balanced manner comes begins his book with a theology of marriage and singleness examining all the significant old and new testament passages he concentrates especially on the teaching of jesus and the interpretation of that teaching by paul and the early church the second part of the book discusses the implications of the biblical teaching of pastoral ministry in the local church dealing with a host of real life questions in a practical way

despite a strong belief in the institution and sacredness of marriage studies show that christian spouses experience divorce at least as much as the secular population but whatever the reasons for a divorce beyond the divorce itself many christians want to know does the bible support remarriage the fact is that no consensus exists among evangelicals on their views of remarriage leaving many christians confused this counterpoints volume explores the biblical and practical cases for the three main

evangelical views on remarriage after divorce remarriage is not acceptable after divorce defended by gordon j wenham remarriage is acceptable only after adultery or desertion defended by william a heth remarriage is acceptable for a variety of reasons defended by craig s keener each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions the counterpoints series presents a comparison and critique of scholarly views on topics important to christians that are both fair minded and respectful of the biblical text each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
